

Town of LaGrange Special Meeting Minutes

Wednesday, 13 March 2024

Dogwood Road Special Meeting

A meeting was held on Wednesday, 13 March 2024 on Dogwood Road at 5pm. Those present were Brendan Smith, Kyle Gibbons, Loren Schleusener, Cody Schaub, Bill Hatch, and Nick Hoffman. The purpose of the meeting was to discuss the options for modestly straightening the double 90 degree portion of the road near Watermill Pond.

Bill Hatch gave an overview of their projected activities in the area and indicated they were open to a discussion with the Town regarding a land swap or outright acquisition with his main concern being that the potential new road wouldn't interfere with the logical layout of future cranberry beds. He also indicated they planned on significant logging operations on their portions of Dogwood with an emphasis on cutting the right of way back to allow for more sun on the road.

Further discussion centered on the temporary driveways that have been put in place along Dogwood and the Town's interest in ensuring the ditches remain as clear as possible. Damage to the roadway was also discussed with a plan to meet once all major construction operations in the area are complete to address repair of that damage.
