Ellsworth Road Project Discussion with Ho-Chunk Nation, BIA, Project Manager, and Project Engineer

Current project status - three signs are still missing. Cody has talked to Mathy about this. One speed limit sign will be put up also. Had a discussion on where to place it. Brendan and Cody will take care of this. In the spring we will have to deal with the crosswalk going to the driving range.

Reimbursements – all bills have been received. The last bills will be paid on December 9th. One last bill needs to be sent to Ho Chunk for reimbursement. Brock is concerned with mowing the ditches on Ellsworth, he is concerned the town doesn't have the right equipment to mow these ditches. He also had concerns regarding some houses not having ditches. Brendan explained that all plans were approved by the engineer.

Bid opening and potential selection for Putters Ridge Water Issue Remediation Project -
Badger Environment – concrete \$87,190 HDPE – \$67,674

Heeg – concrete \$125,806 HDPE \$117,806

There was a discussion regarding these bids. Discussed just ditching that area. Discussed opening up the existing culvert and working the right of way on the west side of the road. Cody Johnson had concern that the town needs to take care of this problem. Kyle made a motion to accept the Badger Bid for the HDPE for \$67, 674. Loren second. Brendan mentioned that this should be paid out of the 2025 road budget. All in favor no opposed.

Patrolman's Update – Cody was out boom mowing today. No vehicle issues at this time. The new plow truck is ready to be sent to us prior to going to Universal. No other issues with equipment or recycling center. Kyle will help contact Martel regarding the dumpster issues.
